# *A Night Of Legends: Lebo M And Hans Zimmer Deliver A Once-in-a-lifetime Concert Experience*

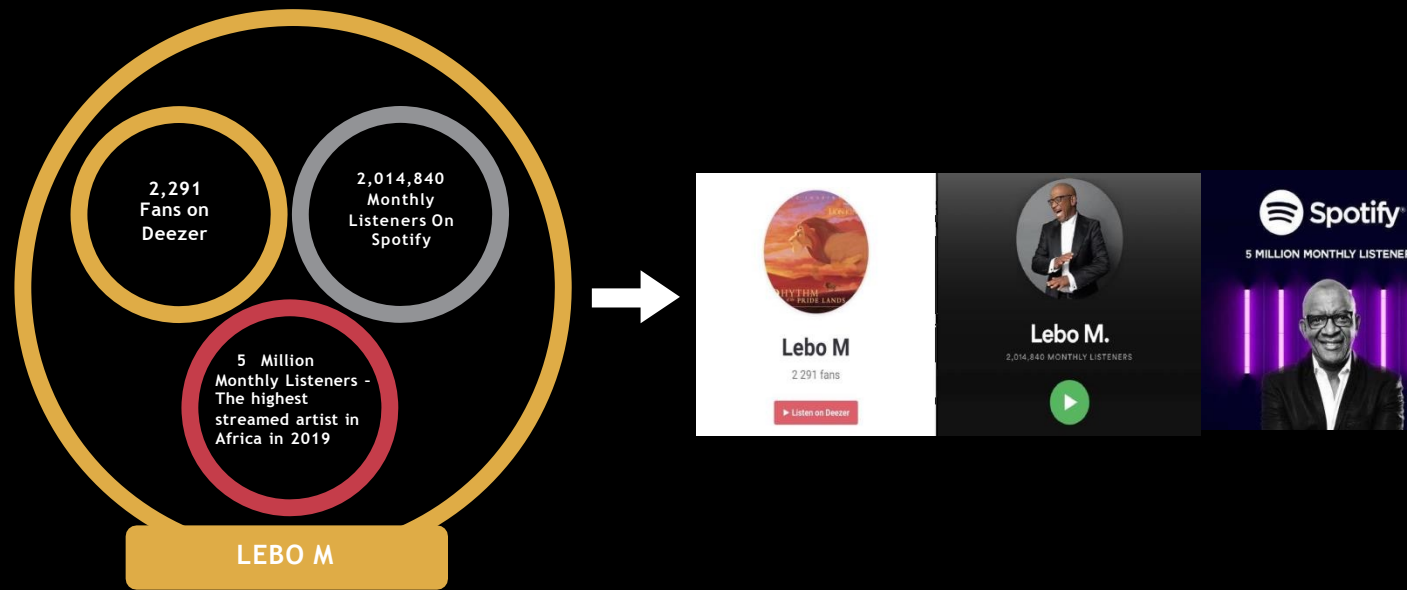

“April 18th, 2025, time stood still at the Cape Town Grand Arena at Grand West Casino. Music lovers, cinephiles, and proud South Africans came together to witness a truly rare and unforgettable moment: the reunion of *Lebo M* and *Hans Zimmer* on a local stage, delivering a performance that can only be described as *magical* – **95% Sold Out!**”

The duo, known globally for their collaborative work on *Disney's The Lion King*, transcended nostalgia, reawakening a sound that has shaped generations. Backed by a full orchestra, African percussionists, a choir, and Zimmer's full band, the night was more than a concert; it was a celebration of heritage, cinematic legacy, and musical genius.

When Hans Zimmer emerged, humble as ever, he turned the spotlight right back on Lebo M, calling him the soul of *The Lion King*. “**Without Lebo M, there is no Lion King,**” he told the audience, a moment met with thunderous applause.” - Andile Masilela (Between 10and5 Blog).
